

SPECIFICATION OF GRAPE FRUIT POWDER

	Description	Speciation
1	Appearance	Orange. Green Powder
2	Order	Fruity
3	Moisture	<15%
4	Ash Content	±12%
5	Solubility	10%
6	Bulk Density	0.9 - 1.0
7	Packing	25 Kgs. Paper/HDPE Bag
8	Packing Damnation	2' X 1'.5" X 0.5"
9	Shelf Life	Two Years from manufacture date.
ALSO MANUFACTURE PRODUCT AS PER PARTY'S SPECIFICATIONS		

- There is some evidence that drinking vitamin C-rich citrus fruits, including grapefruit and others, might improve lung function in people with asthma. Some studies have found this benefit, but others haven't.
- Developing evidence suggests that a citrus seed extract (ParaMicrocidin) can decrease constipation, gas, and stomach discomfort possibly due to changes in intestinal bacteria, in people with eczema.
- Lowering cholesterol.
- Hardening of the arteries (atherosclerosis).
- Preventing cancer.
- Weight loss.
- Psoriasis.
- Muscle fatigue.
- Promoting hair growth.
- Toning the skin.
- Reducing acne and oily skin.
- Treating headaches.
- Stress.
- Depression.
- Infections.
- Digestive complaints in people with eczema.
- Yeast infections (as a vaginal douche).
- Other conditions.
