6	Bulk Density	0.9 - 10
7	Packing	25 Kgs Paper/HOPE Bag
8	Packing Dimension	2" X 1.5" X 0.5"
9	Shelf Life	Two Years from manufacturing Date.
WE ALSO MANUFACTURE PRODUCT AS PER PARTY'S SPECIFICATIONS		

Traditionally, peppermint has been used to treat indigestion, headaches, colic, gingivitis, irritable bowel syndrome, spasms and rheumatism. It relaxes muscles; has antiviral and bactericidal qualities; increases stomach acidity (to aid digestion); is an analgesic and counterirritant; and is a carminative (eases intestinal cramping).

Mint is rich in protein, vitamin A & C etc. Water content in this herb makes it an excellent remedy for urinary retention. It is used to tract problems. Mint is also a time-tested remedy for headaches due to tress and heat. A paste made from fresh mint leaves is also very effective in removing dark circles under the eyes.
